<http://www.visualstudio.com/downloads/download-visual-studio-vs#d-express-windows-desktop>

連上後可以看到以下畫面，請點選紅色方塊內的立即安裝

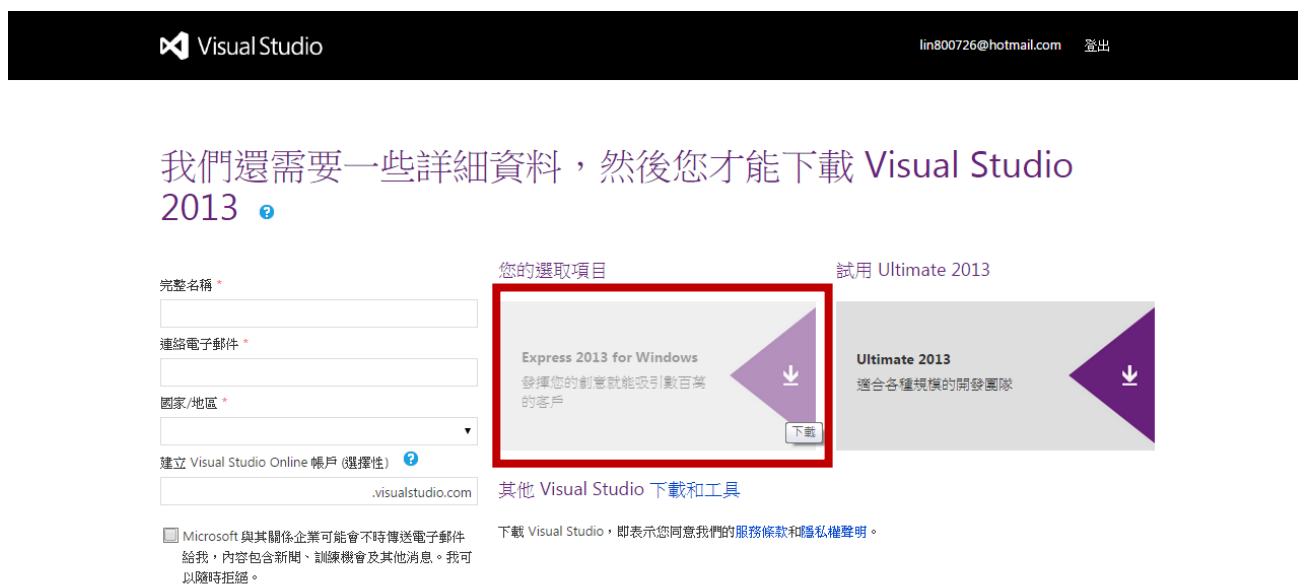

2. 點選後會看到如下視窗

若有 Microsoft 帳號請直接登入，若沒有請點立即註冊直接申請 Microsoft 帳號後登入。

### 3. 登入後會看到

The screenshot shows the Visual Studio 2013 download page after a user has logged in. At the top, there is a black header bar with the Visual Studio logo on the left and the user's email 'lin800726@hotmail.com' and a '登出' (Logout) link on the right. Below the header, the main heading reads '我們還需要一些詳細資料，然後您才能下載 Visual Studio 2013' (We still need some detailed information before you can download Visual Studio 2013). On the left side, there are several input fields: '完整名稱' (Full name), '連絡電子郵件' (Contact email), '國家/地區' (Country/Region), and '建立 Visual Studio Online 帳戶 (選擇性)' (Create Visual Studio Online account (optional)). Below these fields is a checkbox for receiving emails from Microsoft and its partners. On the right side, under the heading '您的選取項目' (Your selection), there are two options: 'Express 2013 for Windows' and 'Ultimate 2013'. The 'Express 2013 for Windows' option is highlighted with a red box and has a '下載' (Download) button. The 'Ultimate 2013' option also has a '下載' (Download) button. Below the selection area, there is a link for '其他 Visual Studio 下載和工具' (Other Visual Studio downloads and tools) and a note about downloading Visual Studio, which implies agreement to the terms of service and privacy statement.

### 4. 下載後啟動並不斷地按下一步即可

Note :

LAB 時以及上面的教學以 Visual Studio 2013 Express 版為主；相較於 Express 版，Professional 版涵蓋了在開發大型軟體時會用到的一些功能，較為完整。不過這門課中只需要用到 Express 版的，若同學想要裝 Professional 版玩玩看，Microsoft 推出了 DreamSpark 專案，提供大專院校學生免費使用 Visual Studio 2013 Professional 版一年。請到以下網址下載
